Parade starts at 2:00 pm

NEW!

Sensory Friendly Zone

All individuals/families with any type of sensory processing needs are invited to join us in front of the Chamber Office. Your group can choose to sit outside on **Perkins St.** from **Sierra Pacific** to the corner of **Main Street**, or seats inside the chamber office will also be available!

In the **Sensory Friendly Zone**, parade units will refrain from revving engines, using sirens, air horns, car horns and strobe lights.

Fidgets, courtesy of MACC, will be available to pick up inside the Chamber Office if your ghouls or goblins need one to help them watch the parade.
