

# HALLOWEEN IN 2020

## Social Narrative

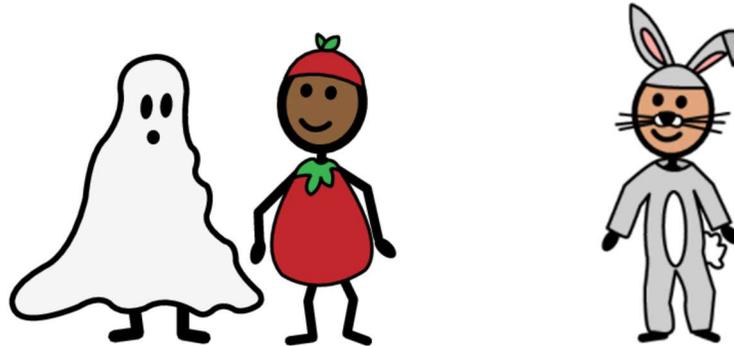

Halloween is celebrated every year on October 31st.

People celebrate Halloween in many ways.

Some people decorate their homes and yards.

Some people like to dress up in costumes.

Some people like to watch scary movies at home.

Some people like to go trick-or-treating.

Trick-or-treaters wear their costumes and carry a bag or bucket.

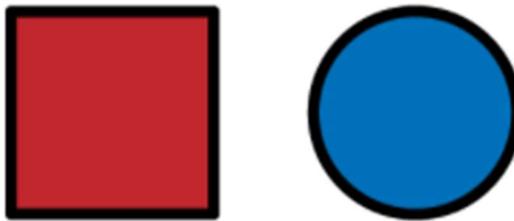

They travel to greet their neighbors at their front doors, saying  
“Trick or Treat!”

Some neighbors hand out candy to trick-or-treaters.

This year, Halloween is on Saturday, October 31st.

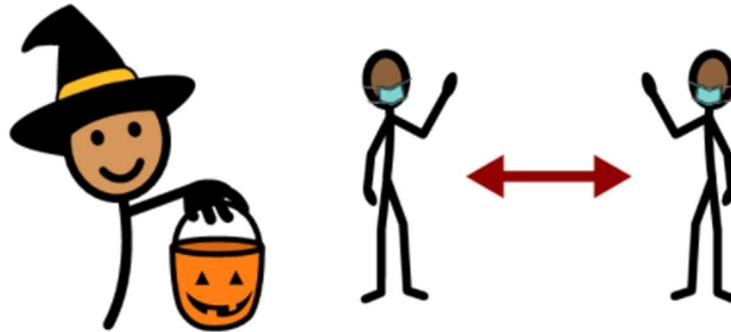

This year, Halloween celebrations will be different.

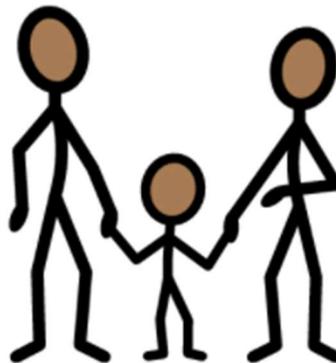

Some families will choose to stay home.

Some cities will cancel trick-or-treating this year.

Some cities will still trick-or-treat, with new rules.

My family will make the best decision for me.
