

Stop Motion 12/17/22

Mixed Media- using more than one material to make a project.

Gives an opportunity to combine textures and different types of artwork all together.

Create interest and whimsy with unexpected materials

Very creative expression- able to upcycle or repurposing items.

Add timing to drawing- 2D animating. Draw a line across the screen.

Link for 2D puppets: <https://graphicmama.com/blog/free-character-animator-puppets-2021/>

Make a video or picture using at least 3 different types of objects or styles of artwork.
