### About “Carl the Collector”

The new PBS KIDS® animated series “Carl the Collector” follows Carl, a warm-hearted raccoon who loves collecting things. The show breaks new ground as the first PBS KIDS series to feature central characters on the autism spectrum. Carl’s attention to detail, distinctive way of looking at the world, and extensive collections help him solve problems around Fuzzytown with his neurodivergent and neurotypical friends. The series premieres November 14th on PBS Wisconsin!
